NOTIFICATION

Based on the deliberations, the following decisions were taken

Conduct of End Semester Examination for NPTEL Courses.

Students of University Departments had registered for NPTEL courses during the session January – April 2021. However, due to corona pandemic situation the end semester examinations could not be conducted by NPTEL and instead it has announced for issuance of Modified Pass Certificate for those graduating in 2021, based on the internal assessments in view of the completion of their programme.

For those students who have received modified pass certificate, the end semester examination shall be conducted by appointing a course coordinator for the respective courses registered by the students in University Departments. The evaluation shall be done only on the basis of End Semester Examination and the passing requirement is 50% of marks in the end semester examination and absolute grading shall be followed. This decision has been taken as a **One-Time Measure**, due to COVID'19 pandemic.

This decision is taken with the approval of the competent authority.
