\(^1\) Professional Elective I has already been studied in 5\(^{th}\) Semester as Elective I.

\(^2,3\) Professional Elective III and IV can be excluded as the candidate has already done Elective I and II. However, if the candidate has done IT6005 Digital Image Processing (elective II) he has to do Professional Elective III or IV

\(^4\) Since the candidate has done EC6601 VLSI design and EI 6703 Fiber optics and laser Instrumentation as core subjects Professional elective VI can be excluded

** Note: EI6704 Biomedical Instrumentation (R2013) is equivalent to EI8073 Biomedical Instrumentation (R2017) (Professional Elective V) Hence, Professional Elective V in Semester VIII can be Exempted.

Note: All students who have got readmitted after break of study shall choose electives which they have not already studied either as a core or as an elective in their previous semesters.
